Fieldtrip and prizegiving Saturday 15th October

DIVISION OF

Johnson & Johnson Vision Care, Inc.

Field trip to geothermal system and borehole field at
National Technological Park, Castletroy, Limerick Co. Limerick

followed by:

Announcement of winners & prize-giving for the

**Brecan Mooney Memorial Award
for the inaugural
Domestic Geothermal Heating Installation
of the year 2011**

Details of Fieldtrip & Awards Ceremony

DIVISION OF

Johnson & Johnson Vision Care, Inc.

GAI are holding their second field trip of 2011. We are delighted that Johnson & Johnson Vision Care, Inc. have agreed to host GAI members to explain and lead a tour around the geothermal system.

"Vistakon have used a renewable energy source, Geothermal Energy, to improve operating efficiencies of their cooling systems. The geothermal system is coupled with a 1 MW absorption chiller that optimises utilisation of the on-site CHP plant."

Attendees can avail of the Vistakon canteen for lunch on the day.

The winner of the inaugural Brecan Mooney Domestic Geothermal Heating Installation of the Year award in 2011 (for projects completed before Jan 2010) will be announced at the prize-giving ceremony.

Programme:

10.30 – 11.00	Arrive at Vistakon
11.00 – 11.45	Presentation on the Geothermal cooling system,
11.45 – 13.00	Tour of geothermal system and associated plant
13.00 – 14.00	Lunch
14.00 – 15.30	Presentation showcasing the submissions for the Brecan Mooney Domestic Geothermal Installation of the Year 2011 competition, and prize-giving ceremony.

RSVP: Please indicate your intention to attend to GAI Secretariat – taly.hunterwilliams@gsi.ie / monica.lee@gsi.ie ; phone 01 678 2780/2784 for more details. Numbers on the field trip are limited to 50.
